# ZORN MEASURED WEDGE – ZMK

- Made of high-quality, weather-proof stainless steel with a screw-on and glued plastic handle.
  - The use of stainless steel prevents wear and tear and offers complete protection against corrosion.
- The engraved, easy-to-read scale can be viewed from above and easy to photograph.
- The ZORN Measured Wedge ZMK is available with a high-quality bag and carrying strap. Both accessories are made from high-quality, stitched leather and allow comfortable and secure transportation of the measuring instrument.
